

## Dear Parish Contact,

USPG and the Church of England Diocese in Europe are working together to get aid to people in desperate need in Ukraine. Agencies are already doing all they can in this war-torn country but they need our help.

**We are appealing to churches everywhere to join us and support this effort.**

There are over a million refugees in Europe. They have left everything behind to escape this conflict. Christian Charities and Churches need our help now as they support our Ukrainian brothers and sisters in all aspects of their lives. The effects of this war will be felt for years to come and our appeal is for urgent needs both now and in the months ahead.

## How you can help

In this troubling time we are called to support those in need and those who help them, both through our prayers and financially. There are many ways you can help in this crisis:

- Pray with us: we have included some prayer points below and we will be posting regular updates across social media

- Ask your local Church if they can make a donation to our emergency appeal
- Hold a collection for the appeal this Sunday at your Church
- Share the appeal on your social media

## Pray with Us

Please join us in praying at home and in your church. Below you will find some prayer points that could be incorporated into your Sunday intercessions, daily offices or personal prayers in the coming days. Please pray for:

- Protection of the people of Ukraine
- The safety of those bringing aid and support to Ukraine
- The whole Christian Church in Ukraine
- Peace in Ukraine and the world

## Thank You!
