Space for the Spirit: Derek Lockstone has asked for this message to be included in the pewsheet.

From Michael Younger to Gill Powell, Colleen Lockstone and Molly Warrington: "I want to thank you for all the work you have put into Space for the Spirit over the last year. I know this is no easy task, but your vision, dedication and commitment have ensured that - each month - you have presented worship which has been enriching, deep and reflective for all of us. I wish that all members of our congregation realised what opportunities for spiritual reflection, peace and quiet they have missed. Your choice of music, readings and visuals have given me strength, peace and food for thought, and I am deeply in your debt."
